

## Student Course Selection-Log in

A **Login ID** and a temporary **Password** is provided to you on your program planning sheet. If there is no password on your sheet, this indicates that you have logged in before and already have your password. Go to <https://www.myeducation.gov.bc.ca/asp/en/logon.do> and you will see the log in window. Enter your **Login ID** and **Password** and, if prompted, follow the account setup screens.
