    Requests: Enter your 8 course requests for next year "Primary requests." You must also enter 2 alternate elective choices under "Alternate requests."

    By clicking on the *Select* buttons on the bottom of your Instructions window you can view the course options for your grade level. Remember to scroll to all pages.

    Notes for Counsellor: Enter anything you would like your counsellor to be aware of while programming your courses.

3. Click on the **Select** buttons on the bottom of the instructions window. This will open a pop-up window that has the available course selections for your grade.

    - You can scroll through the course options by using the tab at the top of the page
    - You can sort your courses by description by clicking on the **Course Description** header
