Marlin Strong: Every student, every day, whatever it takes!
Welcome to a New School Year at McNair Secondary!

Hope Through Voice: Listening, Learning, and Leading Together... at McNair Secondary, hope is rooted in the belief that tomorrow can be better and that each of us has a role in creating that future. As educators, our responsibility is to listen, learn, and lead while creating a school where students, staff, families, and community members feel a sense of belonging, purpose, and possibility.

Student, teacher, and family voice provides meaningful opportunities for our community to participate in and influence education. When these voices are actively sought, heard, and valued, hope becomes action. We strengthen equity, expand opportunity, and create learning environments where all students have the opportunity to succeed.

Culturally responsive teaching recognizes students' lived experiences, perspectives, and prior knowledge, making learning more relevant and meaningful. Voice extends beyond the classroom as well, helping shape school priorities, initiatives, and decisions while giving students meaningful opportunities to contribute to their learning and school community.

Hope grows when people believe their voice matters. By listening to one another and learning from different perspectives, we strengthen our understanding of the diverse experiences that shape McNair. We show students that their ideas have value, their contributions can make a difference, and they have the ability to help shape their future.

As we move through 2026–2027, our theme of Hope asks us to do more than believe in a better future. It asks us to help create one. By ensuring that people feel heard, valued, connected, and supported, we strengthen our entire school community. When we listen, we create belonging. When we provide opportunity, we build confidence. When we empower voice, we create hope.

McNair Flex Time starts September 15th

During Flex Time, we allocate instructional time for “self-directed” personalized learning. Students engage in independent learning and pursue their goals with the support and mentorship of teachers. This approach empowers students with choice and ownership of their learning, while our staff members facilitate a supportive learning environment.

First week of Flex Time sign-up not required

Students will attend classes as indicated above for this week, where teachers will share more information regarding expectations for the use of their classroom during Flex. Sign-up information for Flex Time will be provided during Flex in the 2nd week of Flex time.

Please take daily attendance on MyEd. MyEd is a live data base, and attendance needs to be taken on-time and accurately every class so that parents can be alerted of unexcused absences.
